LONG BIG SAFE
we deliver where others can’t
Extra long
Extra wide
Standard haulage
Individual transport solutions
HISTORY

Since 1972 our trailers have been a big presence on the road. Raimund Oberhofer laid the groundwork for the company in 1972 with a small, reliable, extremely customer-oriented enterprise.

For more than 20 years now, Wolfgang Oberhofer has been running the operation, together with his highly competent team. Through proven closeness to customers, the very latest technology, professional competence and expertise we attempt to make the impossible possible in the interests of our customers.
Our fleet of vehicles, comprising more than 100 trailers for European-wide special transport tasks, is specialised in ‘extra long - extra wide - abnormal-payload assignments’. A special department focuses solely on one-time and permanent transport clearances along the routes. Utmost flexibility, smooth-and-uncomplicated transport are guaranteed by our branch network throughout Europe. We deploy our fleet for the safe, smooth and trouble-free transport of your valued goods, and ours.
Fast
The world of transport is fast moving and hectic. Goods and merchandise have to be loaded and delivered rapidly. Working under time pressure and duress are unavoidable in this branch. It is a challenge we have learned how to handle and master through long experience, dedication to the task and adroitness. Our company watchwords for bringing your cargo to its destination are: properly; safely; and as swiftly as possible. Without a hitch.

Flexible
It’s an indispensable feature in an operational field as unpredictable as the transport branch, particularly for large, wide or heavy loads. The success or failure of a given project depends on handling an uncountable sum of factors. Through our inexhaustible wellspring of creative flexibility, we know how to solve even the toughest challenges, quickly and effortlessly. Without a hitch.

Unbureaucratic
Clearances, licenses, permissions, go-aheads, are the toughest part of the challenge for some companies. Our professional approach and relationships with the requisite agencies obtain even the most unusual permits quickly and easily. At the same time, numerous permanent clearances for transport of abnormal loads of every type guarantee uncomplicated and swift haulage of over-dimensioned goods. Without a hitch.
VEHICLE FLEET

3-AXLE FLATBED TRAILER
Number: 35

Measurements
Length, width, height: 13.60 x 2.50 x 1.25 m
Weight: 16.00 tons

Permanent clearance for transport of abnormal loads
Length, width, height: 17.00 x 3.00 x 3.00 m
Cargo capacity: 25.00 - 30.00 tons

FLATBED TRAILER WITH PULLOUT EXTENSION
Number: 35

Measurements
Length, width, height: 13.60 x 2.50 x 1.00 m
Weight: 16.00 tons | Length with pullout: 16.10 or 19.60 m

Permanent clearance for transport of abnormal loads
Length, width, height: 22.00 x 2.50 x 3.50 m
Cargo capacity: 24.00 - 29.00 tons

Alternative permanent clearance for transport of abnormal loads
Length, width, height: 17.00 x 3.00 x 3.30 m
Cargo capacity: 24.00 - 29.00 tons

FLATBED TRAILER WITH DOUBLE-PULLOUT EXTENSION
Number: 5

Measurements
Length, width, height: 13.60 x 2.50 x 1.25 m
Weight: 16.00 tons
Length with pullout: 22.60 or 31.60 m

Permanent clearance for transport of abnormal loads
Length, width, height: 17.00 x 3.00 x 3.00 m
Cargo capacity: 25.00 - 30.00 tons

An example of special one-time clearance:
Length, width, height: 17.00 x 3.00 x 3.00 m
Cargo capacity: 25.00 - 30.00 tons

with Twist Locks

pullout extends to 2.50 or 6.00 m

pullout extends to 18.00 m (2 x 9.00 m)
GOOSENECK
Number: 15
Measurements
Length, width, height: 13.60 x 2.50 x 0.90 m
Cargo capacity: 16.00 tons
Permanent clearance for transport of abnormal loads
Length, width, height: 17.00 x 3.00 x 3.00 m
Cargo capacity: 25.00 - 30.00 tons

TRAILER WITH WHEEL CAVITIES
Number: 5
Measurements
Length, width, height: 13.60 x 2.50 x 0.90 m
Weight: 17.00 tons
Permanent clearance for transport of abnormal loads
Length, width, height: 20.00 x 3.00 x 3.00 m
Cargo capacity: 25.00 - 30.00 tons

4-AXLE FLATBED TRAILER PULLOUT
Number: 3
Measurements
Length, width, height: 13.60 x 2.50 x 0.95 m
Weight: 17.00 tons
Permanent clearance for transport of abnormal loads
Length, width, height: 22.00 x 2.50 x 3.40 m
Cargo capacity: 28.00 - 40.00 tons
Permanent clearance for transport of abnormal loads
Length, width, height: 17.00 x 3.00 x 3.40 m
Cargo capacity: 28.00 - 40.00 tons
3-AXLE DROP-CENTER
Number: 2

Measurements
Length, width, height: 16.50 x 2.50 x 0.30 m
Weight: 25.00 tons | Length with pullout extension: 22.00 m

Permanent clearance for transport of abnormal loads
Length, width, height: 25.00 x 3.00 x 4.00 m
Cargo capacity: 19.00 tons

An example of special one-time clearance:
Length, width, height: 30.00 x 4.00 x 4.30 m
Cargo capacity: 30.00 - 35.00 tons

4-AXLE SEAT WITH 3-AXLE TOW VEHICLE
Number: 3

Measurements
Length, width, height: 13.60 x 2.50 x 0.95 m
Weight: 20.00 tons

Permanent clearance for transport of abnormal loads
Length, width, height: 22.00 x 2.50 x 3.40 m
Cargo capacity: 40.00 - 46.00 tons

Alternative permanent clearance for transport of abnormal loads
Length, width, height: 17.00 x 3.00 x 3.40 m
Cargo capacity: 40.00 - 46.00 tons

2-AXLE DROP-CENTER
Number: 3

Measurements
Length, width, height: 13.60 x 2.50 x 0.30 m
Weight: 18.00 tons

Permanent clearance for transport of abnormal loads
Length, width, height: 20.00 x 3.00 x 4.00 m
Cargo capacity: 23.00 tons

Pullout extends to 5.50 m

Pullout extends to 4.00 m

Pullout extends to 4.00 m
**TAUTLINER**
Number: 10

**Measurements**
Length, width, height: 13.60 x 2.50 x 1.25 m  
Weight: 14.00 tons

**Permanent clearance**
(no transport of abnormal loads)
Length, width, height: 13.60 x 2.50 x 2.70 m  
Cargo capacity: 24.00 - 26.00 tons

---

**MEGATRAILER**
Number: 25

**Measurements**
Length, width, height: 13.60 x 2.50 x 1.25 m  
Weight: 16.00 tons

**Permanent clearance for transport of abnormal loads**
Length, width, height: 17.00 x 3.00 x 3.30 m  
Cargo capacity: 24.00 - 30.00 tons
